19 Attachment Points

The massive DD Tarp 4x4 is the ultimate dry cover solution for groups, teams and work spaces. 19 reinforced attachment points allow it to be set up in countless different formations, whether that's to cover several hammocks at once or to form a sturdy shelter for a small group and lots of equipment. The tarp can be set up in minutes, with the aid of a cord ridgeline, tarp poles, hiking poles or trees.

You can count on the DD Tarp 4x4 to shelter you and your team from the elements on a backpacking trip, event or work activity, thanks to 3,000mm-rated PU-coated 190T polyester, alongside comprehensive seam-taping. This tarp has been used and tested by groups and solo expeditionists in some of the world's toughest climates and conditions.
